

Black Hearted Love

PJ Harvey & John Parish

I think I saw you in the shadows
I move in closer beneath your windows
Who would suspect me of this rapture? And who but my black hearted love?
And who but my black hearted love? When you call out my name in rapture
I volunteer my soul for murder
I wish this moment here forever And you are my black hearted love
And you are my black hearted love
In the rain, in the evening I will come again
I'd like to take you
I'd like to take you to a place I know my black hearted
I'd like to take you
I'd like to take you to a place I know my black hearted
I'd like to take you
I'd like to take you to a place I know my black hearted
I'd like to take you
I'd like to take you to a place I know my black hearted In the rain, in the evening, in the garden,
I will come again
In the rain, mouth to mouth again, in the rain
