

I'll Kill You (feat. Jhené Aiko)

Summer Walker

If them bitches fine, you better be blood
If it ain't me or your mama, shouldn't be showing you no love
Please forgive me, I know that I'm stingy
'Cause baby, I'm caring 'bout you
Ain't playing no games 'bout you I'll go to hell and jail about you, boy
I'll go to hell and jail about you, boy
I'll go to hell and jail about you, boy
I'll go to hell and jail about you, boy I've been waiting so long for a love like this
I've been waiting so long for a love like this
I've been waiting so long for a love like this
Waiting so long, yeah That's on my mama, yeah, that's on the hood
Don't want no problems, I wish a bitch would
Try to come between us, it won't end up good
You know I love you like no one else could
I go to hell and back for you
Bend over backwards, acrobats for you
Yeah, I go up to bat for you
Even when she looking bad for you I've been waiting so long for a love like this
It's a feeling so strong, I don't wanna resist
Like you can't do no wrong, got me losing my shit
Gotta loosen my grip Nah, fuck that, my baby, you're all mine
Greatest of all time
You better tell them hoes, "fall in line"
I do not play about mine
You know this energy's so right
Don't put up no fight
You know I never tell no lie
I want you for life
No one has me looking foolish
Don't have me feeling stupid
Choose a lover, you got me all tied up
Sometimes you just
Can get me all fired up I've been waiting so long for a love like this
I've been waiting so long for a love like this
I've been waiting so long for a love like this
Waiting so long, so long You're loving can be too much for me, too much
(We got London on the track)
