

Wrong Turn

Jack Johnson

And I will wait here a while
Just long enough to be
Sure that you
Didn't make a wrong turn
And I'll wait long enough
Maybe an hour or two
Before I decide
It wasn't me it was you
It wasn't me it was you
And I would like you to know
Although it seems sad to say
This was only the worst
Hour of my day
The worst hour of my day
How long has it been on your mind?
Do you think about it when we laugh?
I think that it's a big mistake
Because I think that we could make it last
Even if it's just for a while
And I'll wait here for now
Just long enough to be
Sure that you
Really want to go through with this
'Cause I don't really want to go through with this
Do you really want to go through with this?
