

# Mother's Little Helper

## The Rolling Stones

[Intro]

What a drag it is getting old

[Verse 1]

"Kids are different today"

I hear every mother say

Mother needs something today

To calm her down

And though she's not really ill

There's a little yellow pill

[Chorus]

She goes running for the shelter

Of her mother's little helper

And it helps her on her way

Gets her through her busy day

[Verse 2]

"Things are different today"

I hear every mother say

Cooking fresh food for her husband's just a drag

So she buys an instant cake

And she burns a frozen steak

[Chorus]

And goes running for the shelter

Of her mother's little helper

And two help her on her way

Get her through her busy day

[Bridge]

"Doctor, please

Some more of these"

Outside the door

She took four more

What a drag it is getting old

[Verse 3]

"Men just aren't the same today"

I hear every mother say

"They just don't appreciate that you get tired"

They're so hard to satisfy

You can tranquilize your mind

[Chorus]

So go running for the shelter  
Of a mother's little helper  
And four help you through the night  
Help to minimize your plight

[Bridge]

"Doctor, please  
Some more of these"  
Outside the door  
She took four more  
What a drag it is getting old

[Verse 4]

"Life's just much too hard today"  
I hear every mother say  
The pursuit of happiness  
Just seems a bore  
And if you take more of those  
You will get an overdose

[Chorus]

No more running for the shelter  
Of a mother's little helper  
They just helped you on your way  
Through your busy, dying day

[Outro]

Hey!
