

# Pagan Fears

## Mayhem

The bloody history from the  
past deceased humans now forgotten.  
An age of legends and fear a time now  
so distant.  
Less numbered as they were their lives  
so primitive and pagan  
superstitions were a part of the life  
so unprotected in the dark nights  
Pagan fears.  
The past is alive.  
The past is alive.  
Woeful people with pale faces  
staring obsessed at the moon  
some memories will never go away  
ant they will forever be here.
