

Closer Now

Young Noah

[Hook]Can you show me what it's all aboutDo you hear me when I'm calling outIs there lights down lowerI really need you closer now(x2)[Verse 1: Young Noah]YoThere's gotta be more to this God thingThan a wrestle with a porn addictionHoly Spirit convicts youBut you don't listenIf I was judgedProbably have a grudge and crush myselfPoor decisionHow you feeling like you ain't a ChristianHard to hustle when you in troubleAin't itHard to rock a smile when you feel vileBecause you live doubleAin't itMonday, walk with GodTuesday, stumbleWednesday, carry crossFumbleCloser to God that you getThat lunar eclipsedols in your heartGot nowhere for the Father to sitDon't get robbed out of your passion to follow the ScriptureDon't get cheated at obedience misterBecause all works get listedDon't get it twistedAnd you don't want to fall off like Limp BizkitSatan got a sick schemeReal explicitHe won't you to get liftedOr sifted[Hook]Can you show me what it's all aboutDo you hear me when I'm calling outIs there lights down lowerI really need you closer now(x2)[Verse 2: Young Noah]Lord I prayFor every secret sin struggleThat we don't sayI pray you let us knowThat it won't be OKIf we don't changelf we don'tIf we don't aim to relocateThere be noThere be no graceTrample Christ up under our feetThe fee I faceOh GodI pray you be on our sideOh ChristI pray you plead our caseOh how we live in sinAnd love itOh how we get around our Christian friendsAnd pretendThat we A.O.KAnd we don't even read the BibleAnd we don't pray[Hook]Can you show me what it's all aboutDo you hear me when I'm calling outIs there lights down lowerI really need you closer now(x2)Brought 2 u by AngryPanda.....rawr...
