

# Your Biggest Fan

## Jonas Brothers & China Anne McClain

[Verse 1: Nick Jonas]

I never thought I would, did it  
Never thought I could  
I did it like that, did it like this  
Did it like everybody knows  
That we got something real, shawty  
I know what I feel  
Shout it like that  
Shout it like this  
Listen up, everybody knows but you  
So here it goes

[Chorus: Nick Jonas & China Anne McClain]

'Cause I never really noticed  
Took a while for me to see (ooh)  
Playing back the moments  
Now I'm starting to believe is (ooh)  
That you could be at the show and know every word  
But it's you who makes me sing  
I may not know where we are, but I know who I am  
Baby, I'm your biggest fan, oh...listen

[Verse 2 Nick Jonas, China Anne McClain & Both]

Every time you smile for me  
Takes me a while to bring myself back (No)  
'Cause you're all that  
And I just had to let you know  
That I'm screaming out in the crowd for you  
I can be too loud 'cause I don't care  
I let them all stare  
I just want everyone to know the truth  
It's only you

[Chorus: Nick Jonas & China Anne McClain]

I never really noticed  
Took a while for me see (A while for me to see)  
Playing back the moments  
Now I'm starting to believe (Starting to believe)  
That you could be at the show and know every word  
But it's you who makes me sing

I may not know where we are, but I know who I am  
Baby, I'm your biggest fan

[Verse 3: Nick Jonas]

You showed up and you looked so classy  
Made me think twice 'bout the way I was acting  
You were real from the start of it all  
Like a dream came to life, now I'm left in awe  
Stars shine, but your light is the brightest  
And Love flies, but your love is the highest  
You're so sweet that it drives me crazy  
A summer like no other, you're my L.A. baby

[Chorus: Nick Jonas, w/China Anne McClain]

No, I never really noticed  
Took a while for me to see (Took a while for me to see)  
Playing back the moments  
Now I'm starting to believe (I'm starting to believe)  
That you could be at the show and know every word  
But it's you who makes me sing  
I may not know where we are, but I know who I am  
Baby, I'm your biggest fan, oh  
Baby, I'm your biggest fan, oh

[Outro: Nick Jonas, w/China Anne McClain]

That you could be at the show and know every word  
But it's you who makes me sing  
I may not know where we are, but I know who I am  
Baby, I'm your biggest fan
