

Topic

Smokepurpp

Ahhhh, ahhhh

Face down, ass up, that bitch ugly
I just want that head, I don't get cuddly

Ahhhh, ahhhh

I'm the topic, I'm the topic now, yeah
I'm the topic, I'm the topic now, yeah

Ahhhh, ahhhh

I want top, told her give me top
Told her give me top, give me sloppy top
In that Lambo, in that Rari

Told that bitch, sorry bitch I don't say sorry

Ahhhh, ahhhh

And I'm with my gang, we don't play no games
No, when I'm with my gang, yeah we hittin' stains
No, and I'm with my gang, yeah we ain't playin
No, when I'm with my gang, we don't play no games

Two times two, I just poured a four
I ride with a bitch, I call y'all two door

Face down, ass up, that bitch ugly
I just want that head, I don't get cuddly

Ahhhh, ahhhh

I'm the topic, I'm the topic now, yeah
I'm the topic, I'm the topic now, yeah

Ahhhh, ahhhh
