

Afterhours

teamwork, Nina Nesbitt & AJ Mitchell

[Verse 1: Nina Nesbitt]

Baby, I've been going in and out of love
But all that ever seems to do is fuck me up (Fuck me up)
I'm sick of falling just to end up hurting
I just wanna have some fun

[Pre-Chorus: Nina Nesbitt]

Uh-uh-uh, uh-uh-uh
I call at 2 AM, and you'll be answering
Uh-uh-uh, uh-uh-uh
It's just the two of us
Don't need no daylight love

[Chorus: Nina Nesbitt]

B-b-baby can we just keep it afterhours? (Afterhours)
When the bar is closed, and you're alone
Is when I come around
B-b-baby can we just keep it afterhours? (Afterhours)
Just a lonely touch, don't call it love
It only brings me down

[Verse 2: AJ Mitchell & Nina Nesbitt]

Yeah, we got the same intentions, you and I
We can skip the small talk, put your skin on mine (Skin on mine)
Don't make my heart break, just make my heart race
Keep my body satisfied (Keep me satisfied)

[Pre-Chorus: AJ Mitchell & Nina Nesbitt]

Oh-oh-oh, oh-oh-oh
I call at 2 AM (I call), and you'll be answering
Oh-oh-oh, oh-oh-oh
It's just the two of us (Of us)
Don't need no daylight love

[Chorus: Nina Nesbitt & AJ Mitchell]

B-b-baby can we just keep it afterhours? (Afterhours)
When the bar is closed, and you're alone
Is when I come around
B-b-baby can we just keep it afterhours? (Afterhours)
Just a lonely touch, don't call it love
It only brings me down

[Post-Chorus: Nina Nesbitt & AJ Mitchell]

Just keep it af—, keep, keep it after (It brings me down, yeah)
Skip the, skip the, skip the small talk

Keep it af—, keep, keep it after (Can we keep it? Oh)
It only brings me down
Keep it af—, keep, keep it after
Skip the, skip the, skip the small talk (Oh)
Keep it af—, keep, keep it after (Can we keep it? Oh)
Keep it afterhours, baby

[Bridge: AJ Mitchell]

When I'm at your door, I know to stay low, stay low
We just need our lips, don't need an intro, intro
I'ma see her when the party's over (Over)
Do the things we never do sober (Sober)
We can be whenever in the morning
As long as it's me that you're calling

[Chorus: Nina Nesbitt]

B-b-baby can we just keep it afterhours? (Afterhours)
When the bar is closed, and you're alone
Is when I come around
B-b-baby can we just keep it afterhours? (Afterhours)
Just a lonely touch, don't call it love
It only brings me down

[Post-Chorus: Nina Nesbitt & AJ Mitchell]

Just keep it af—, keep, keep it after (It brings me down, yeah)
Skip the, skip the, skip the small talk
Keep it af—, keep, keep it after (Can we keep it? Oh)
It only brings me down
Keep it af—, keep, keep it after
Skip the, skip the, skip the small talk (Oh)
Keep it af—, keep, keep it after (Can we keep it? Oh)
Keep it afterhours, baby

[Outro: AJ Mitchell]

Baby, can we just keep it afterhours?
Just a lonely touch, don't call it love
It only brings me down
