

# Angel

Jimi Hendrix

Angel come down from heaven yesterday

she stayed with me just long enough

for afternoon tea

and she told me a story yesterday

about the love between the moon and the deep blue sea

and when it was time for her to go

she spread her wings her wings high over me

and she said i shall return tomorrow

and i said fly on my sweet angel

fly on through the skies

fly on me sweet angel

tomorrow i will feel you by my side

and sure enough

this morning comes to me

with silver wings silhouetted

against the glow of the child sunrise

and as the blue birds and the sparrows envy me

she says i love you little boy

today you shall fly

she kissed me once  
and the feeling so good  
she made me cry  
and now we can fly together

i said fly on my sweet angel  
fly on through the skies  
fly on my sweet angel  
together we shall always be light
