

# Nite and Day

## Al B. Sure!

Can you feel it, baby  
I can  
Excuse me  
Do you think that I might be able to touch you I can tell you how I feel about you nite and day  
How I feel about you, no, no  
I can tell you how I feel about you nite and day  
How I feel about you I'll love you more in the rain or shine  
And makin' love in the rain is fine  
A love so good and I call it mine  
Love is blind I can tell you how I feel about you nite and day  
How I feel about you, no, no, no  
I can tell you how I feel about you nite and day  
How I feel about you  
Believe me when I say that I do care  
I can tell you  
I'd like to run my fingers through your hair  
I can tell you  
Baby, if you left I could not bear  
I can tell you  
Please don't share Do you love me, please let me know  
I can tell you  
Don't hide the feeling, just let it show  
I can tell you  
A feeling so deep that comes within  
I can tell you  
What kind of love am I in I can tell you how I feel about you nite and day  
How I feel about you, no, no, no  
I can tell you how I feel about you nite and day  
How I feel about you  
If you and I were one, girl  
The love we'd share would be so fun  
Just take my hand and you'll see, girl  
That we'd take off into another world I can tell you how I feel about you nite and day  
I can tell you how I feel about you nite and day  
I'll love you more in the rain or shine  
I can tell you how I feel about you nite and day  
Night and day, night and day, night and day  
I can tell you how I feel about you nite and day  
Making love in the rain is fine  
I can tell you how I feel about you nite and day  
I can tell you how I feel about you nite and day
