

# Irony

## Bo Burnham

(I believe in the Zodiac  
Yeah, I do, I'm a Leo, I love Titanic  
Uh, this is something a little bit mor-  
Something a little bit morbidly ironic, my grandmother  
Uh, she was a Cancer and  
She was actually killed by a giant crab This is a song about the idea of irony  
So strap in!) My dog's stomach was very upset  
So I put him in the car and we went to the vet  
And on our way to the vet  
I killed a cat  
Hey, I said isn't that ironic?  
I adopted a child from overseas  
To rescue him from child labor factories  
And on his very first birthday, we went to Build-a-Bear workshop  
Isn't that ironic? Isn't that I-R-O-N-I-C-I-N-O-R-I-R-O-N-I-C?  
A water park has burned to the ground, and a  
A tow truck has broken down  
I always used to cry when I laughed  
And then I was raped by a clown  
Isn't that ironic? I was watching Al Gore on CNN  
He was talking and talking and talking and then  
Out of boredom, my pet polar bear shot himself  
Isn't that ironic? I dated an animal rights activist  
And one day, she got really pissed  
Because I was eating veal that was wrapped in "pita" bread  
("PETA"? Fuck it)  
Isn't that I-R-O-N-I-C-I-N-O-R-I-R-O-N-I-C?  
I'm a stand up comic and I always sit and slouch  
And I got my girlfriend pregnant on my sterile uncle's "pull-out" couch  
Isn't that ironic? I-R-O-N-I-C  
Yeah, if everyday you play the board game Risk  
You've probably never taken a Risk in your life  
And Monopoly has far from a stranglehold on the board game market  
A little kid died from suffocation when he choked on a game piece from Operation  
And I can't grow a beard  
That one's not ironic, that one's just sad Bob Barker got all of my pets pregnant My grandfather  
had Alzheimer's  
And one day we were
