

# Change (feat. James Taylor)

Charlie Puth

Why are we looking down  
On our sisters and brothers?  
Isn't love, all that we got?  
Don't we know everyone's  
Got a father and mother?  
The day we know we're all the same  
Together we can make the change Look around there are so, many of us crying  
Not enough love to go around  
What a waste of a day  
A good one dying  
But I know that the world will change  
The day we are all the same  
Why can't we just get along?  
If love is right and war is wrong  
And how are we supposed to  
Get close to each other?  
We gotta make the change, yeah Why are we human beings to deny somebody?  
A chance to be there, so  
No, what a waste it would be if we hurt another?  
But I know the world will change  
The day we are all the same Why can't we just get along?  
If love is right and war is wrong?  
And how are we supposed to  
Get close to each other?  
We gotta make a change, yeah I know we could break apart  
We don't have to go that way  
But today  
Why can't we just get along?  
If love is right and war is wrong  
And how are we supposed to  
Get close to each other?  
Why can't we just get along?  
If love is right and war is wrong  
And how are we supposed to  
Get close to each other?  
We gotta make the change, yeah The change, yeah
