

Dancing with Nobody

Austin Mahone

I like the way, oh
That you talk to me
I like the way, oh That you scream my name, baby I don't know how
But I know you're the one
I'm standing my ground
Not when I used to run
It feels like a dream
But I know that I'm up
I'm up all night
All night with you
I don't feel like dancing with nobody else
It don't feel romantic with nobody else
Can't you see that baby
I don't want nobody else but you
I don't feel like dancing with nobody else
It don't feel romantic with nobody else
Can't you see that baby
I don't want nobody else but you I like the way you breathe
When you're close to me, ooh
I like the way your hair falls across your face
Mmm yeah
I don't know how
But I know you're the one
I'm standing my ground
Not when I used to run
It feels like a dream
But I know that I'm up
I'm up all night
All night with you I don't feel like dancing with nobody else
It don't feel romantic with nobody else (No, no, no)
Can't you see that baby
I don't want nobody else but you
I don't feel like dancing with nobody else
It don't feel romantic with nobody else
Can't you see that baby
I don't want nobody else but you No I can't help it
I want some more
Somehow I know
That you won't let go
I don't know better
I lose control
I think I might love you I like the way, oh

That you talk to me girl
Ooh, I like the way you keep me up
I'm up all night
All night with you (Oh) I don't feel like dancing with nobody else (I don't feel like)
It don't feel romantic with nobody else (No, no, no)
Can't you see that baby
I don't want nobody else but you (You)
I don't feel like dancing with nobody else (I don't feel like)
It don't feel romantic with nobody else (It don't feel romantic)
Can't you see that baby
I don't want nobody else but you
