

I Want to Take You Higher

Sly & The Family Stone

Hey, hey, hey, hey

Beat is gettin' stronger
Music gettin' longer, too
Music is a-flashin' me
I want to, I want to, I want to take you higher
I wanna take you higher
Baby, baby, baby, light my fire
I wanna take you higher

Boom laka-laka-laka
Boom laka-lak-goon-ka boom

Hey, hey, hey, hey

Beat is nitty-gritty
Sound is in your city, too
Music's still flashin' me
Don't ya, don't ya, don't, don't, don't ya wanna get higher?
Don't ya wanna get higher?
Baby, baby, baby, light my fire (Woo)
I wanna take you higher

Boom laka-laka-laka
Boom laka-lak-goon-ka boom

Hey, hey, hey, hey

Boom laka-laka-laka [repeated]

Higher
Higher
Higher
Higher
Higher (Won't ya light my fire?)
Higher (Woo, yeah)
Higher (Wanna take you higher)
Higher

Hey, hey, hey, hey

Beat is there to make you move
Sound is there to help you groove
Music's still flashin' me
Take your places
I wanna take you higher (Higher [repeated])
Wanna take you higher
Baby, baby, baby, light my fire (Woo)
I wanna take you high, high, high, high, high, high, high, high

Boom laka-laka-laka
Boom laka-lak-goon-ka

Boom laka-laka-laka [repeated]

Higher (Let me take you)
Higher (Do you wanna go)
Higher (With me, me)
Higher (And you, you)
Higher (Won't ya light my fire?)
Higher (Woo, yeah)
Higher (Wanna take you higher)
Higher

Boom laka-laka-laka [repeated]

Hey, hey, hey, hey

Boom laka-laka-laka [repeated]

Hey, hey, hey, hey

Boom laka-laka-laka [repeated]

Higher (Do you feel it?)
Higher (Yeah)
Higher
Higher
Higher (Don't you wanna go higher?)
Higher (Woo)
Higher (I wanna take you higher)
Higher (Yeah, yeah)

Boom laka-laka-laka [repeated]

Hey, hey, hey, hey

Boom laka-laka-laka [repeated]

Higher (Always was a tripper)
Higher (Never was a slipper)
Higher (Hey, uh)
Higher (I wanna take you higher)
Higher (Yeah, yeah)
Higher (I wanna take you higher)
Higher
Higher

Boom laka-laka-laka [repeated]

Hey, hey, hey, hey
Hey, hey, hey, hey

Boom laka-laka-laka [repeated]

Everybody higher, higher, higher, higher, higher, higher, higher, higher
Higher
