

# A Little Better

Gnarls Barkley

Now I can sing you the story line  
And if you like my story fine  
But ain't none of the glory mine See my life was a lonely one  
And I was still mama's only son  
With no idea what I'm gon' become And I didn't have long to know  
That you don't have to be grown to go  
I could've died so long before Then I finally saw the sign  
And I made it on down the line  
One step at a time I feel better, I can smile at it now  
I feel better, oh better  
And even a little is still better  
Oh, have mercy on me  
Oh, it's probably plain to see  
That I got a whole lot of pain in me  
And it will always remain in me So cold it's a crying shame  
Yet here I am trying to gain  
'Cause I refuse to die in vain The circumstances put soul in me  
And there ain't no holding me  
I've got a heart made of gold in me Can you believe this is where I've been?  
And when adversity calls again  
I'll deal with it then I feel better, I can laugh at it now  
I feel better, oh better  
And even a little is still better  
Oh, have mercy on me Ah ah, yeah, um, oh, oh  
I said everything's fine, you can take your time  
What would be on your mind  
If you knew you was dying?  
I would wanna just feel this one more time I said everything's fine, take your time  
What would be on your mind  
If you knew you was dying?  
I would wanna just feel this one more time Alright  
I want to thank you morning sun  
I want to thank you lonely girl  
Now I know I'm not the only one I want to thank you friendly ghost  
When all the cards were close  
It seems like you cared the most I want to thank you mom and dad  
For hurting me so bad  
But you're the best I ever had  
I want to thank you
