

# Conversation Piece (feat. Bob James)

Wayman Tisdale & Bob James

I haven't thought about you for a while  
It seemed so far away  
I keep your pictures hidden in a file  
Of favorite one act plays Like pieces of myself  
Cut off in desperation  
As offerings to thee  
I keep them on a shelf  
They're good for conversation  
Over a cup of tea  
I put it all down in a letter once  
A letter I don't send  
It made me feel much better at the time  
I thought it helped me mend  
The pieces of myself  
Cut off in desperation  
As offerings to thee  
I keep them on a shelf  
They're good for conversation  
Over a cup of tea===
