

We Can (feat. Tory Lanez)

Kranium

 Hmm, hmm, hmmm
Yow girl child, girl child Gyal you tek man fi fool
 Tek man fi eediat
 Stop, chat, jump inna my car
 Make me slap dat, you snap back
We a do we ting cause you know seh me no love chat
 Breast dem well firm, plus you ass well fat gosh
 You damn hot, round like a race track
 Waist line small, me a wonder weh you get dat
 Me no have no time fi a waste gyal
 Come over me place
 Let me tell you dis straight
 We can fuck if you feel like you want to
 And we can do the tings weh you feel you need to
 And we can run di place like you need fi dweet to
Cause me swear pon me life me girl seh me nah go leave you
Hmmm, hmmm, then again... Top down and I'm on the way now
 We sippin' Henny for the whole day now
 She know wah me want to do
 A little bit a me on you
 And you know that I been rolling round
 I go the round like Tyson
 Know seh we deh pon a one night ting
No husband and wife ting We can fuck if you feel like you want to
 And we can do the things weh you feel you need to
 And we can run the place like you need fi dweet to
Cause me swear pon me life me girl seh me nah go leave you hmmm, hmmm, then again...
 Hey
 No more late night texting
 Time for the sexing
 Oh yea
 I've been seeing your body naked
And I ain't touch you yet to get you wet Gal you take man for fool
 Take man for idiot
 Stop, chat, jump inna the car
 Make me slap that you snap back
We a do we thing cause you know seh me a no love chat
 Breast them well firm plus you ass well fat gosh
 You damn hot round like a race track
 Waist line small, me a wonder where you get that
 Me no have no time fi a waste gal
Come over me place let me tell you this straight Let me tell you this straight, oh yeah

Let me tell you this straight
Let me tell you this straight, oh baby
Let me tell you this straight
I've been waiting patiently
For your body
Calling your name
I been calling, calling your name, oh
Kranium
