

Voodoo

Nick Jonas

[Verse 1]

Oh, man down
You're shaking his solid ground
You're running me wild
And breaking me down, down
Desperate now
Way you do it, I don't know how
You're drinking me dry
Throwin' fuel on a fire, fire

[Pre-Chorus]

And we ain't enough
If this is what you're calling love
I swear I'm better alone
I feel your claws sinkin' in, gettin' under my skin like

[Chorus]

Voodoo, ee-yeah ee-yeah
V-v-voodoo, ee-yeah ee-yeah
You got me too attached, keep me comin' right back
And just like that, got me comin' right back like
Voodoo, ee-yeah ee-yeah
V-v-voodoo, ee-yeah ee-yeah
You got me too attached, keep me comin' right back
And I know that I ain't fuckin' with your voodoo
Voodoo, do, voo, voo, voo, voo, voo

[Verse 2]

And all my life
Can't hold on to you this tight
Phasin' you out
Just a face in the crowd, baby

[Pre-Chorus]

And this ain't enough (This ain't enough)
If this is what you call love
I think I'm better alone
I feel your claws sinkin' in, gettin' under my skin like

[Chorus]

Voodoo, ee-yeah ee-yeah
V-v-voodoo, ee-yeah ee-yeah
You got me too attached, keep me comin' right back
And just like that, got me comin' right back like
Voodoo, ee-yeah ee-yeah
V-v-voodoo, ee-yeah ee-yeah
You got me too attached, keep me comin' right back
And I know that I ain't fuckin' with your voodoo

[Bridge]
Fakin' the rush
Is almost like callin' it love
So why are you callin' it love?
Yeah, why are you callin' it love?

[Chorus]
Voodoo, ee-yeah ee-yeah
V-v-voodoo, ee-yeah ee-yeah
You got me too attached, keep me comin' right back
And just like that, got me comin' right back like
Voodoo, ee-yeah ee-yeah
V-v-voodoo, ee-yeah ee-yeah
You got me too attached, keep me comin' right back
And I know that I ain't fuckin' with your voodoo

[Outro]
Voodoo
Oh no
I ain't fuckin' with your voodoo
