

Monsoon

Tokio Hotel

[Verse 1]

I'm staring at a broken door
There's nothing left here anymore
My room is cold
It's making me insane

I've been waiting here so long
But now the moment seems to have come
I see the dark clouds coming up again

[Chorus]

Running through the monsoon
Beyond the world
To the end of time
Where the rain won't hurt
Fighting the storm
Into the blue
And when I lose myself I think of you
Together we'll be running somewhere new
Through the monsoon
Just me and you

[Verse 2]

A half-moon's fading from my sight
I see your vision in its light
But now it's gone and left me so alone
I know I have to find you now
Can hear your name, I don't know how
Why can't we make this darkness feel like home?

[Chorus]

Running through the monsoon
Beyond the world
To the end of time
Where the rain won't hurt
Fighting the storm
Into the blue
And when I lose myself I think of you
Together we'll be running somewhere new
And nothing can hold me back from you

Through the monsoon

[Bride]

Hey! Hey!

I'm fighting all its power

Coming in my way

Let it take me straight to you

I'll be running night and day

I'll be with you soon

Just me and you

We'll be there soon

So soon

[Chorus]

Running through the monsoon

Beyond the world

To the end of time

Where the rain won't hurt

Fighting the storm

Into the blue

And when I lose myself I think of you

Together we'll be running somewhere new

And nothing can hold me back from you

Through the monsoon

[Outro]

Through the monsoon

Just me and you

Through the monsoon

Just me and you
