All Day and Night

Jax Jones, Martin Solveig, Madison Beer & Europa

You walked away, you left me out here on the floor
You didn't care, you're still the one that I adore
You gave me somethingLike nobody did before, woah, woahIf I close my eyes, all I see
Is you standing there in front of me

You're on my mind constantly

Now I can't get no sleepAll day and night you keep me up

Non-stop, I'm so done, yeah

I'm giving you more than enough

All my love, I'm so done, yeah

I blame myself, I broke my own heart loving you

You cut me up

And now I'm bleeding from the truth

You left me helpless

Now I don't know what to do, woah, woahIf I close my eyes, all I see

Is you standing there in front of me

You're on my mind constantly

Now I can't get no sleepAll day and night you keep me up

Non-stop, I'm so done, yeah

I'm giving you more than enough

All my love, I'm so done, yeahNo sleep, na-na-na

No sleep, na-na-na

I think about you day and night

Now I can't get no

No sleep, na-na-na

No sleep, na-na-na

I think about you day and night

Now I can't get no

(No, no, no, no sleep tonight)

(No, no, no, no sleep tonight)All day and night you keep me up

Non-stop, I'm so done, yeah

I'm giving you more than enough

All my love (All my love), I'm so done (So done), yeah

All day and night you keep me up(No sleep, na-na-na-na)

Non-stop, I'm so done, yeah

(I think about you day and night)

I'm giving you more than enough

(No sleep, na-na-na)

I'm so done, yeah

(I think about you day and night)

(Now I can't get no)
