

The Zephyr Song

Red Hot Chili Peppers

Can I get your hand to write on?
Just a piece of lead to bite on
What am I to fly my kite on?
Do you want to flash your light on?
Take a look its on display for you
Coming down no not todayDid you meet your fortune teller?
Get it off with no propeller
Do it up, it's always stellar
What a way to finally smell her
Pick it up it's not to strong for you
Take a piece and pass it onFly away on my Zephyr
I feel it more than ever
And in this perfect weather
We'll find a place together, fly on my wing
Riddlin' on liberator
Find a way to be a skaterRev it up to levitator
Super friendly aviator
Take a look its on display for you
Coming down no not today
Fly away on my Zephyr
I feel it more than everAnd in this perfect weather
We'll find a place together
In the water where the scent of my emotion
All the world will pass me byFly away on my Zephyr
We'll find a place togetherWhoa whoa whoa whoa whoa whoa, do you
Yeah yeah yeah yeah yeah yeahWhoa whoa whoa whoa whoa whoa, won't you
Yeah yeah yeah yeah yeah yeah
Fly away on my Zephyr
I feel it more than ever
And in this perfect weather
We'll find a place together
In the water where the scent of my emotion
All the world will pass me by
Fly away on my Zephyr
We're gonna live forever
Forever.
