

# Everybody

Tommy Roe

Everybody!  
Everybody!  
Everybody's had a broken heart now!  
Everybody!  
Everybody!  
Everybody's had the blues  
Everybody!  
Everybody!  
Everybody's blue when they're lonesome!  
Everybody!  
Everybody!  
Everybody's had the blues  
One time or other everybody listen to me,  
You lose somebody you love,  
But that's no reason for you to break down and cry!  
I said a hey everybody!  
Everybody!  
Everybody's had a lonely moment!  
Everybody!  
Everybody!  
Everybody's had the blues  
One time or other everybody listen to me,  
You lose somebody you love,  
But that's no reason for you to break down and cry!  
I said a hey everybody!  
Everybody!  
Everybody's had a lonely moment!  
Everybody!  
Everybody!  
Everybody's had the blues  
I said a hey everybody!  
Everybody!  
Everybody's blue when they're lonesome!  
Everybody!  
Everybody!  
Everybody's had the blues
