

# These Boots Are Made for Walkin'

Jessica Simpson

Are you ready boots?  
Start walkin'  
Yee Haw  
come on  
Let's go You keep sayin you got somethin for me  
Well officer I don't mind to say you do  
Now your lookin right where I thought you'd be looking  
Legs come handy when law's in front of you These boots are made for walkin  
And that's just what they'll do  
One of these days these boots are gonna walk all over you You believe you've stopped me for a  
reason (uh)  
Now I'm pretending my bendings just for fun  
You keep playin where I got you playin (yeah)  
These double - D initials work to run  
These boots are made for walkin  
And that's just what they'll do  
One of theses days these boots are gonna walk all over you I'm the girl with the good ol' boys  
who don't mean you no harm  
Just got my way with hazzard county charm  
There aint no crime in havin a little fun Swerve my stride  
bat my sexy eyes  
Where my boots at?(hah)  
Strut ya stuff come on Hey ya'll  
Wanna come and see something (uh uh, uh uh)  
Can't touch, can I get a hand clap  
for the way I work my back (with the daisy dukes)  
Tick tock all around the clock  
drop it  
Push ya tush, just like that  
Can I get a sooey?  
Can I get a yehaw?  
You keep thinkin' what you shouldn't be thinkin'  
another two buttons down til you kissin' the ground  
I'm a gonna send you back home as you crying (yeah)  
Uncle Jesse sure is gonna be proud (uh, uh) These boots are made for walkin  
And that's just what they'll do  
One of these days these boots are gonna walk all over you These boots are made for walkin  
And that's just what they'll do  
One of these days these boots are gonna walk... all... o... ver... you Come on boots  
Start walking  
Come on ladies Hey ya'll  
Wanna come and see something (uh uh, uh uh)

Can't touch, can I get a hand clap  
for the way I work my back (with the daisy dukes)  
Tick tock all around the clock drop it  
Push ya tush, just like that  
Can I get a sooey(sooey)  
Can I get a yehaw (yehaw)Come on Willie (ohh yeah, owwww)
