

Aubrey

Bread

And Aubrey was her name

A not so very ordinary girl or name

But who's to blame

For a love that wouldn't bloom

For the hearts that never played in tune

Like a lovely melody that everyone can sing

Take away the words that rhyme it doesn't mean a thing

And Aubrey was her name

We tripped the light and danced together to the moon

But where was June?

No it never came around if it did it never made a sound

Maybe I was absent or was listening to fast

Catching all the words but then the meaning going past

But God I miss the girl

And I'd go a thousand times around the world just to be closer to her than to me

And Aubrey was her name

I never knew her but I loved her just the same

I loved her name

Wish that I had found a way

And the reasons that would make her stay

I have learned to lead a life apart from all the rest

If I can't have the one I want I'll do without the best

But how I miss the girl

And I'd go a million times around the world just to say she had been mine for a day
