I'm always wicked, i'm always slick, i'm always sly
Leave a little bit of room and i'll slide by

And fuck up your program just like a drive by
Ain't it funny how time flies my my
Time for you to say night night bye bye
Havin naughty dreams of naughty things
Everybody loves everything that the boy that be naughty brings
Spit my verses like a viruses
make you sick like my style is
Split your wig like a stylist
I've got my list and i'm checkin it twice
Checkin which hynas been naughty or nice
You only live once so you cant do it twice
So make bein naughty a part of your life(chorus)
N-A-U-G-H-T-Y aqui estoy

N-A-U-G-H-T-Y(Lil' Rob)
I love to hear your body talk
Love your little naughty walk
Love the way you fall
Into your naughty crawl
My eyes open wide
Cant believe what i saw
Fine ass baby doll
Panties and a bra, that's all
Naughty girl, naughty world
Aqui estoy, naughty boy
You can play with me
But naughty boys not a toy
Mischeiveious, disdisobedient
So when your needin it
I wanna be the one whos givin it
Because your radiant
Though improper, baby doll your a show stopper
The show must go on, naughty boy live in concert
N-A-U-G-H-T-Y B-U-Y the ultimate
Consider yourself fortunate
I'm someone who you wont forget
Someone who you wont regret
No ones ever told me yet
Claim your naughty like me
Baby you havent showed me yet
I can make you soakin wet
Put my lips upon your neck

Fellins why they call me naughty
Tingles all through out your body(chorus)
N-A-U-G-H-T-Y aqui estoy
