

Starman

John C. Reilly

Goodbye love

Didn't know what time it was the lights were low oh how

I leaned back on my radio oh oh

Some cat was layin down some rock n roll lotta soul, he

said

Then the loud sound did seem to fade a ade

Came back like a slow voice on a wave of phase ha hase

That werent no d.j. that was hazy cosmic jive

Theres a starman waiting in the sky

Hed like to come and meet us

But he thinks hed blow our minds

Theres a starman waiting in the sky

Hes told us not to blow it

Cause he knows its all worthwhile

He told me:

Let the children lose it

Let the children use it

Let all the children boogie

I had to phone someone so I picked on you ho ho

Hey, thats far out so you heard him too! o o
Switch on the tv we may pick him up on channel two
Look out your window I can see his light a ight
If we can sparkle he may land tonight a ight
Dont tell your poppa or hell get us locked up in fright

Theres a starman waiting in the sky
Hed like to come and meet us
But he thinks hed blow our minds
Theres a starman waiting in the sky
Hes told us not to blow it
Cause he knows its all worthwhile
He told me:
Let the children lose it
Let the children use it
Let all the children boogie

Starman waiting in the sky
Hed like to come and meet us
But he thinks hed blow our minds
Theres a starman waiting in the sky
Hes told us not to blow it
Cause he knows its all worthwhile
He told me:
Let the children lose it

Let the children use it

Let all the children boogie
