

# Old Fashioned

## CeeLo Green

[Cee-Lo Green]

Ooooooooooooooooooooooooooooooh  
Mmmm-mmm-mmmmmmm

My... love's old fashioned  
But it still works, just the way it is  
This... love is classic  
And not just, simple because, I say it issssss

[Hook One]

It's right on time (right on time)  
And it's timeless (timeless)  
And it'll be right here  
For al-wayyyyyyyyyys

[Cee-Lo Green]

My... love's old fashioned  
So be it, I'm set in my ways  
Hush child! And just listen, mmm  
Don't it sound just like, the good old days? Well

[Hook One]

It's right on time (right on time)  
And it's timeless (timeless)  
And it'll be right here  
For al-wayyyyyyyyyys

[Hook Two]

My love's right on time (right on time)  
And it's timeless (timeless)  
And I'll be right here  
For al-wayyyyyyyyyys

[Cee-Lo Green]

Ohhhhh, people they gather 'round  
And they wonder how... mmmm  
Are we in love  
Right here and now?  
I just smile  
Cause true love doesn't go out of style  
(Right on time) OOOOOOOOOOOH  
Ohhhhhhhh yesssss~!  
Ohhh right on time  
Ohhh timeless!

And I'll be here  
For al-wayyyyyyyyyyyyyyyyyyyys
