

# Strokin' (Long and Dirty Version)

Clarence Carter

When I start makin' love  
I don't just make love  
I be strokin'  
That's what I be doin', huh  
I be strokin'I stroke it to the east  
And I stroke it to the west  
And I stroke it to the woman that I love the best  
I be strokin'  
Let me ask you somethin'  
What time of the day do you like to make love  
Have you ever made love just before breakfast  
Have you ever made love while you watched the late, late show  
Well, let me ask you this  
Have you ever made love on a couch  
Well, let me ask you this  
Have you ever made love on the back seat of a car  
I remember one time I made love on the back seat of a car  
And the police came and shined his light on me, and I said:  
'I'm strokin', that's what I'm doin', I be strokin'"I stroke it to the east  
And I stroke it to the west  
And I stroke it to the woman that I love the best  
I be strokin'  
Let me ask you something  
How long has it been since you made love, huh?  
Did you make love yesterday  
Did you make love last week  
Did you make love last year  
Or maybe it might be that you plannin' on makin' love tonight  
But just remember, when you start making love  
You make it hard, long, soft, short  
And be strokin'  
I be strokin'I stroke it to the east  
And I stroke it to the west  
And I stroke it to the woman that I love the best, huh  
I be strokin'Now when I start making love to my woman  
I don't stop until I know she's sex-ified  
And I can always tell when she gets sex-ified  
because when she gets sas-fied she start calling my name  
She'd say: 'Clarence Carter, Clarence Carter, Clarence Carter  
Clarence Carter, ooh shit, Clarence Carter'  
The other night I was strokin' my woman  
And it got so good to her, you know what she told me

Let me tell you what she told me, she said:  
'Stroke it Clarence Carter, but don't stroke so fast  
If my stuff ain't tight enough, you can stick it up my' woo! I be strokin' Ha! Ha! Ha! Ha!  
I be strokin' I stroke it to the east  
And I stroke it to the west  
And I stroke it to the woman that I love the best, huh  
I be strokin'  
I be strokin' Ha! Ha! Ha! Ha!  
I be strokin', Yeah!  
I be strokin' I stroke it to the north  
I stroke it to the south  
I stroke it everywhere  
I even stroke it with my, woo! I be strokin'  
I be strokin'  
I be strokin'
