

Show Me How You Burlesque

Christina Aguilera

Underneath the city lights
There is a world few know about
Where rules don't apply, no
And you can't keep a good girl down
She going through the club looking for a good time
Gonna make that
Shake that
Money on the dime
Don't need a sugga daddy
Shell be working it just fine
Up on the table
Shell be dancing all night (hee-eeey)
Babydoll just come alive
Under the spotlight
All the girls wanna fall in line
We say
He-eh-eh-hey
Here come the ladies bout to give a little show
He-eh-eh-hey
Here comes the boozie gonna show a little more
Hit it up, get it up
Wont let you rest
Hit it up, get it up
This is not a test
Hit it up, get it up
Gotta give me your best
So get your ass up
Show me how you burlesque
Hit it up, get it up
Wont let you rest
Hit it up, get it up
This is not a test
Hit it up, get it up
Gotta give me your best
So get your ass up
Show me how you burlesque
A little bit of naughty is a little bit nice
She's a whole lot of glam, take sugar, take spice
Shimmy, shimmy, strut, strut
Give a little work, what
Up on the table
Well be dancing all night (hee-eeey)
Everybody just come to life

Under the spotlight
All the boys wanna fall behind We say He-eh-eh-hey
Here come the ladies bout to give a little show
He-eh-eh-hey
Here comes the boozie gonna show a little more Hit it up, get it up
Wont let you rest
Hit it up, get it up
This is not a test
Hit it up, get it up
Gotta give me your best
So get your ass up
Show me how you burlesque
Hit it up, get it up
Wont let you rest
Hit it up, get it up
This is not a test
Hit it up, get it up
Gotta give me your best
So get your ass up
Show me how you burlesque Ok girls, lets show how it's done
