

# Wish You Well

Sigala & Becky Hill

[Verse 1]

It's sad we're not together, but I wish happiness for you  
I know we said forever, love don't always make it through[Pre-Chorus]  
Sometimes even the good things get lost along the way  
We opened up the same book, we found a different page  
Cause honestly your loyalties, insecurities and priorities ain't the same  
The harmony, it's the only thing I can save[Chorus]  
I wish you well, I wish you well (I wish you well, I wish you well)  
I wish you well, I wish you well (I wish you well, I wish you well)  
Cause honestly your loyalties, insecurities and priorities ain't the same  
The harmony, it's the only thing I can save  
I wish you well, I wish you well  
I wish you well  
I wish you well

[Verse 2]

I hope that you remember, that I was always good to you  
And even though you hurt me ah, I just had to see it through[Pre-Chorus]  
Sometimes even the good things get lost along the way  
I had to let you go but, I wanted you to stay  
Cause honestly your loyalties, insecurities and priorities ain't the same  
The harmony, it's the only thing I can save[Chorus]  
I wish you well, I wish you well (I wish you well, I wish you well)  
I wish you well, I wish you well  
Cause honestly your loyalties, insecurities and priorities ain't the same  
The harmony, it's the only thing I can save  
I wish you well, I wish you well

[Bridge]

Wish you well I, Wish you well I  
Wish you well I, Wish you well I  
I wish you well I, wish you well I  
Wish you well I[Chorus]  
I wish you well  
I wish you well, oh oh  
I wish, I wish
