

# When Two Are One

Atreyu

BANG!

Explosions in my head that just won't quit  
A train has crashed into the wall around my heart and left the old me dead  
Obliterated STOP!

My breathing in the night when you're not there  
The silence ringing through my ears and all I want to do is hear your voice  
But you're not there Drawn Together

Painter's brush stroke  
Sleight of hand we  
We won't go up in smoke

Fates colliding  
Love undying  
Like the rising tide  
Beating hearts grow but never die

To simplify  
I'll stand by your side  
Close my eyes  
Hope will never die Like the rising tide  
Beating hearts grow but never die

To simplify  
I'll stand by your side  
Close my eyes  
Hope will never die GO!  
And take away the pain of being me  
Soothe my soul caress my heart and  
end my fear all my bad memories

Eradicated  
RING!

Like gunshots heard against a silent night  
My love is louder than these words They're stronger than the rest, unstoppable  
Unstoppable

Drawn together  
Painter's brush stroke  
Sleight of hand we  
We won't go up in smoke Fates colliding

Love undying  
Like the rising tide  
Beating hearts grow but never die

To simplify  
I'll stand by your side Close my eyes  
Hope will never die  
Like the rising tide

Beating hearts grow but never die  
To simplify  
I'll stand by your side  
Close my eyes  
Hope will never die  
Will never die  
(Intermission)  
Drawn together  
Painter's brush stroke  
Sleight of hand we  
We won't go up in smoke  
Fates colliding  
Love undying  
Like the Rising tide  
Beating hearts grow but never die  
To Simplify  
I'll stand by your side  
Close my eyes  
Hope will never die  
Like the Rising tide  
Beating hearts grow but never die  
To Simplify  
I'll stand by your side  
Close my eyes  
Hope will never die  
Will never die
