## Stunna 4 Vegas

Uh, uh, it's 4X

(Firzt back like he left or somethin')

Uh-huh, it's the Rich Youngin, bitch

It's coast 41 (Coast 41)

(I got 20 on my beat)

I'm right back in this bitch like I never

Ain't no checking it, I can't even pick up a check (Cash)

I wanna see blood when they disrespect

But they wanna rap and beef over the internet (Uh, uh)

She like, "Stunna, you a fucking mess"

She upset, she found out that I hit her best

Want a gift, I gave her a Percocet

Hit her while I'm rocking this water, I get her wet

She soaking, I get her wet like an ocean

Quarterback, I put the play in motion (4X)

Double G hold my Glock, I don't need a holster (Uh)

They don't want no smoke, them niggas sober

My lil' niggas gon' score if you leave 'em open (Score)

I drop his team, he put thirty on me (Bitch, come here)

It's the streets' hottest youngin who mobbing  
The hottest lil' nigga in this shit and I'm standing on 'em (Rich Youngin)

Master P, I got the hookup, uh

She like, "You dope," cook up

I got my dick in her throat with my foot up (Eat, eat)

Fuck her from the back, I make her throw my hood up

Reach for my shit, I wish you would

I ain't going for that, get that understand, uh

I go where I want, I'm good

My lil' bro swing that stick like Tiger Woods

I got a check for a bitch, get overseas

Better play with your bitch, ain't no ho in me (Aha)

Let this K sing to 'em like Jodeci

They dick-ride 4X, who they wanna be (4X)

Took off in no time, they can't fuck with me (Uh-uh)

I'm stiff on a bitch, don't be touching me

I went from broke to living luxury

I'm probably fucking two hoes at the DoubleTree (Uh, uh)

I'm right back in this bitch like I never

Ain't no checking it, I can't even pick up a check (Cash)

I wanna see blood when they disrespect

But they wanna rap and beef over the internet (Uh, uh)

She like, "Stunna, you a fucking mess"

She upset, she found out that I hit her best

Want a gift, I gave her a Percocet  
Hit her while I'm rocking this water, I get her wet
