

Running Outta Love (feat. Tori Kelly)

Jacob Collier

It ain't always easy getting through to you
Complicating, overthinking, every move
I like to think you know the things here in my mind
But here we are, I can't seem to get this right
I don't know how to do it
I get so close to you and
But then you look at me like I'm not there
I'm always thinking 'bout you
Wondering how to love you
Keeping me in the dark, it just ain't fair
I wanna know about it
If you gonna talk about it, I'll be waiting for you to take me there
So won't you tell me what you wanna do
'Cause baby it don't matter to me even if you say that you are
Gone, oh (Yeah, yeah)
Even if you wanna let it
Go, don't (No, oh)
Keeping to yourself I wanna make you feel alright (Make you feel alright)
If you've been running out, running out, running out of love (Love, love)
Running out of love Oh, oh, oh, yeah, yeah
Love, love, love, love, love
Ooh
Love, love, love, love, love
Every morning, I wake up and you're not there (Ooh, ooh)
But you know I'm always thinking 'bout you, yeah
'Cause I like to think you know the way I feel about you deep inside
But here we are and I just want to make things right
I don't know how to do it
When I was going through it
Making you feel like we be going nowhere
I'm always thinking 'bout the time we be spending together
Right now I can say I need you more than ever
So tell me all about it (Tell me all about it)
I need to know about it (I wanna know about it)
I need to if we're gonna go somewhere
Say I want you, tell me what you're going through
'Cause baby it don't matter to me, even if you say that you are Gone, oh (Even if you say that
you are out)
Even if you wanna let it (Even if you wanna let it)
Go (Go), don't (Don't let it go)
Keeping to yourself I wanna (I wanna make you feel), make you feel alright (Make you feel
alright)

If you've been running out, running out, running out of love (Love, love)
Running out of love I'm sorry I don't always be around you
I'm sorry if you think I don't care
'Cause I don't wanna leave you feeling lonely
(I've been running out, running out, running out of love)
I'm sorry I don't always be around you
I'm sorry if you think I don't care
'Cause you will always be my one and only
(I've been running out, running out, running out of love)
I'm sorry I don't always be around you (Running out)
I'm sorry if you think I don't care
'Cause I don't wanna leave you feeling lonely
I'm sorry I don't always be around you (Running out, running out, running out)
I'm sorry if you think I don't care
'Cause you will always be my one and only
Love, love, love, love
