

# Love Dump

## Static-X

I can't believe I'm letting you do this to me  
I can't believe I'm letting you do this to me  
Hand me a line  
Really hand me a line  
Really hand me a line  
Hand me a line  
Really hand it to me  
I've always loved you  
Love dumpling  
Your shit's like chocolate cake and  
Your ass smells like a rose  
I really hate you  
Love dumpling  
Now my bowels ache, yeah  
I can't believe I'm letting you do this to me  
Drop down in a line  
Really hand me a line  
Really hand me a line  
Hand me a line  
Really hand it to me  
Hand me a line  
Really hand me a line  
Really hand me a line  
Hand me a line  
Drop down in a line  
Really hand me a line  
Really hand me a line  
Hand me a line  
Really hand it to me
