

Daddy

Die Antwoord

[Hook 1: Yolandi]

Daddy, daddy, please buy me a sweet
I know you got money
I want that big chocolate bunny
In my mother-fucking tummy
Come on daddy, buy me that chocolate
Bunny, I know you got money
I want it, I want it, I want it
I want it, you'll give it to me!

[Verse 1: Ninja]

Yo, uh, baby girl like rap
Baby girl like fun
Baby girl forgot to wear panties
So I smacked her on the bum bum
Baby girl love her daddy
Daddy, he play rough
And daddy like to make his baby girl
Do unusual stuff
Baby girl turn around
Now take off all of your clothes
There you go, thats a good girl
Now let me see you touch your toes
Daddy pop champagne
While he spark that blunt
Now come sit here on daddy's lap
And tell daddy what you want

[Pre-Hook: Ninja]

Don't worry about a thing, fuck the world
We just stay in bed all day
Daddy got game, daddy brought it
From Africa to LA
I could be your daddy
Make everything okay
Shut the fuck up, be a good girl
And do what daddy say

[Hook 2: Yolandi]
