

Girls On My Mind

David Byrne

[Verse 1]

Seems like ev'rywhere I go
Seems like ev'rything I do
Seems like ev'rything I dream about
Seems like ev'rywhere I look

[Chorus]

Well I got girls, girls on my mind
I think about them mostly all the time
Oh, so tell me what you'd do?
Oh, if you were in my shoes?

[Verse 2]

No, thank you, please, I'm only looking
I don't believe we've met before
I guess I've died and went to heaven
Or else I'm lookin' out my nose

[Chorus]

And I got girls, girls on my mind
I think about them sometimes all the time
Oh, well what about tonight?
Okay, what about today?

[Bridge]

People say that I am crazy
People say that I am strange
But I don't care about what people say
They can't see inside my brain

[Chorus]

I've got girls girls girls girls girls in my mind
Ev'ry little girl, stays in my mind
Well I don't wanna know they're all around my mind
Flying all around they're all around my mind
Oh and when I get to sleep
Oh I pray my soul to keep

[Verse 3]

I'm the star of my own movie

Honey, I'm the leading man
You might ask yourself who is that guy?
With the girls upon his mind?

[Chorus]

I got girls girls girls girls girls in my mind
Ev'ry little girl stays in my mind
I remember 'em all they're all in my mind
Long, short 'n' tall stayin' in my mind

[Outro]

Flyin' all around
All around my mind
Flyin' up and down
Goin' through my mind
Ev'ry little girl
All through my mind
Ev'ry little girl
Stay in my mind
