

# The Birds, Pt. 1

## The Weeknd

[Intro]

Ehh, oh yeah

[Verse 1]

Hope you see

It won't mean a thing to me

I've been doing this too long

Baby girl, I've felt it all (Ooh)

So watch out

If you try to play your luck (Ooh)

Ain't nobody gonna care enough

To catch you fall

[Hook]

So don't you fall in love

Don't make me make you fall in love

Don't make me make you fall in love with a nigga like me

Nobody needs to fall in love

I swear I'm just a bird

Girl, I'm just another bird

Don't make me make you fall in love with a nigga like me

Like me (Like me) (Ohh)

[Verse 2]

You tried

You tried to warn me

But, baby, I'm warning you

Girl, I'll show you

This is no game

You'll be falling to the point of no return

No return

[Hook]

Don't you fall in love

Don't make me make you fall in love

Don't make me make you fall in love with a nigga like me

Nobody needs to fall in love

'Cause I'm just a bird (Ahh)

Girl, I'm just another bird (Woo)

Don't make me make you fall in love with a nigga like me

Nobody needs to fall in love

[Bridge]

I know you're rolling hard with it, don't lie

I know it's got a hold of you

I know you're rolling with it  
Baby, don't you lie, baby  
I know you're rolling hard with it, don't lie  
I know it's got a hold of you  
I know you're rolling with it  
Baby, don't you lie, baby

[Outro]

So don't you fall in love  
Don't make me make you fall in love  
Don't make me make you fall in love with a nigga like me  
Like me  
'Cause, girl, I'm just a bird  
Girl, I'm just another bird  
Don't make me make you fall in love with a nigga like me  
Like me
