

# Pardon Me

## Incubus

Pardon me while I burst  
A decade ago  
I never thought I would be  
At twenty-three, on the verge of  
spontaneous combustion  
Woe-is-me  
But I guess that it comes  
With the territory  
An ominous landscape of never-ending calamity  
I need you to hear  
I need you to see  
That I have had all I can take and  
exploding seems like an imminent possibility to me  
So pardon me while I burst into flames  
I've had enough of the world  
And its people's mindless games  
So pardon me while I burn  
And rise above the flame  
Pardon me, pardon me  
I'll never be the same  
Not two days ago  
I was having a look in a book  
And I saw a picture of a guy fried up above his knee  
I said, I can relate  
Cause lately I've been thinking of combustication as a welcome vacation from  
The burdens of the planet Earth  
Like gravity, hypocrisy and the perils of being in 3D  
But thinking so much differently  
Pardon me while I burst into flames  
I've had enough of the world and its people's mindless games  
So pardon me while I burn  
And rise above the flame  
Pardon me, pardon me  
I'll never be the same  
Never be the same  
Pardon me, while I burst into flames  
Pardon me, pardon me, pardon me  
So pardon me while I burst into flames  
I've had enough of the world and its people's mindless  
games  
So pardon me while I burn  
And rise above the flame  
Pardon me, pardon me  
I'll never be the same  
Pardon me

Never be the same
