

Paranoid

GASHI

[Chorus]

Paranoid, someone's watching me
Paranoid, all call me
Feeling like someone's after me
In my mind, haunting me
Had enough, someone set me free
Paranoid, anxiety
Paranoid, having a bad dream
Paranoid, I'll come in

[Verse]

Depends on me
They keep tryna read my mind
That's on me, that's on me
Depends on me
Can't no one can kill my vibe
That's on me, that's on me

[Chorus]

Paranoid, someone's watching me
Paranoid, all call me
Feeling like someone's after me
In my mind, haunting me
Had enough, someone set me free
Paranoid, anxiety
Paranoid, having a bad dream
Paranoid, I'll come in
