

Cash Cash

Cash Cash

[Intro]

There's a girl inside tonight
Cause she's got nowhere to go
And her loves are running wild
Oh her loves are running wild yeah yeah yeah yeah

[Verse 1]

There's a girl inside tonight
Cause she's got nowhere to go
And her loves are running wild
Oh her loves are running wild
And there's a voice inside her head but it's told just what to say (told just what to say)
Never loved you anyway
He's just a snake and you're the prey

[Chorus]

He's got cash, cash, cash
He's made of money but
He's straight out the trash, trash
He'll rip your heart out in a flash, flash, flash
Oh no you're not for sale
Cash, cash, cash he's made of money but
He's straight out the trash, trash
He'll leave you hangin in a flash, flash, flash
Oh, no you're not for sale yeah, yeah, yeah

[Verse 2]

There's a girl inside tonight
Cause she's got nowhere to go
And the rain keeps pourin down
Oh the rain keeps pourin down
And it hurts to watch her stay
She could be loved but need a day

[Chorus]

He's got cash, cash, cash
He's made of money but
He's straight out the trash, trash
He'll rip your heart out in a flash, flash, flash
Oh no you're not for sale

Cash, cash, cash he's made of money but
He's straight out the trash, trash
He'll leave you hangin in a flash, flash, flash
Oh, no you're not for sale
Oh, no you're not for sale yeah, yeah, yeah

[Bridge]

Today is a hard day
But what you really need
And that's made of sweet highs
And day made of hours for you
Ooh cause that's what I do yeah
And you will never need his
No, you will never need his

[Chorus]

He's got cash, cash, cash
He's made of money but
He's straight out the trash, trash
He'll rip your heart out in a flash, flash, flash
Oh no you're not for sale
Cash, cash, cash he's made of money but
He's straight out the trash, trash
He'll leave you hangin in a flash, flash, flash
Oh, no you're not for sale
Oh, no you're not for sale
Oh, no you're not for sale yeah, yeah, yeah
