

# People

## Aretha Franklin

People, people who need people  
Are the luckiest people in the world  
We're children needing other children  
And yet letting our grown-up pride  
Hide all the need inside  
Acting more like children than children  
Lovers are very special people  
They're the luckiest people in the world  
With one person, one very special person  
A feeling deep in your soul  
Says you were half now you're whole  
No more hunger and thirst  
But first be a person who needs people  
People, people who need people  
Are the luckiest people in the world  
With one person, one very special person  
A feeling deep in your soul  
Says you were half now you're whole  
No more hunger and thirst  
But first be a person who needs people  
You have got to need people  
They're the luckiest people in the world
