

# Guns and Roses

## Lana Del Rey

[Verse 1]

Heavy metal love of mine  
I should have learned to let you stay  
You didn't want me all the time  
But you were worth it anyway

[Pre-Chorus]

'Cause you were so much better  
Than the rest of them  
Out of all the others  
You were the honest man

[Chorus]

He loved guns and roses  
Guns and roses  
He loved guns and roses  
He loved guns  
And roses, roses, roses

[Verse 2]

Motorcycle love divine  
I should have learned to let you play  
I wasn't the marrying kind  
I should have done it anyway

[Pre-Chorus]

We should have left Las Vegas  
And then began again  
Took your bike to Detroit  
Back to the promised land

[Chorus]

He loved guns and roses  
Guns and roses  
He loved guns and roses  
He loved guns  
And roses, roses, roses

[Bridge]

I can feel it coming in the air tonight

See you walking on that blue Pacific  
I can see you bathing in the summer light  
Turning tan and you look terrific  
You got game boy, game boy  
You got game boy, game boy  
You got game boy, game boy  
You got game

[Chorus]

He loved guns and roses  
Guns and roses  
He loved guns and roses  
He loved guns  
And roses, roses, roses  
He loved guns and roses (Oh)  
Guns and roses (Oh)  
He loved guns and roses (Oh)  
He loved guns (Oh)  
And roses (Roses), roses (Roses), roses  
(Roses)

[Outro]

Roses, roses, roses
