

Clean Eyes

SYML

[Verse]Picture yourself in a room full of broken glass
Blood on the pieces, the pieces you can't
put back
A little white light in a sea gone black
My head is the room and the room's full of
broken glass
[Pre-Chorus]You can't change me
Can you save me?
[Chorus]Oh, clean
eyes
Breaking my heart in all the right ways
And no, I don't mind, clean eyes (Clean eyes)
Oh,
clean eyes
Breaking my heart and breaking my chains
And I don't know why, clean eyes (Clean
eyes)
[Verse]I'm a cynic, I told you, I fear what I don't believe
I don't know what this is, but this
is a different beast
I check the lock on the door three times
Can't put my faith in what I can't
describe
I'm a cynic, I told you, I don't believe
[Pre-Chorus]Can you save me?
[Chorus]Oh, clean
eyes
Breaking my heart in all the right ways
And no, I don't mind, clean eyes (Clean eyes)
Oh,
clean eyes
Breaking my heart and breaking my chains
And I don't know why, clean eyes (Clean
eyes)
[Bridge]Take me home when I lost myself
Love me better than I love myself
Well my head
is the room and the room's filled with broken glass
Take my home when I lost myself
Well my
head is the room and the room's filled with broken glass
Oh, the pieces I can't put
back
[Chorus]Oh, clean eyes
You're breaking my heart in all the right ways
And no, I don't mind,
clean eyes (Clean eyes, yeah)
Oh, clean eyes
Breaking my heart and breaking my chains
And I
don't know why, clean eyes (Take me home when I lost myself)
Oh, clean eyes
Breaking my
heart in all the right ways
And no, I don't mind, clean eyes (Take me home when I lost
myself)
Oh, clean eyes
Breaking my heart and breaking my chains
And I don't know why, clean
eyes (Clean eyes)
