

# Speak to the Sky

## Petra

Matthew 7:7-8, Psalms 86:7

Words & Music by Bob Hartman

In a corner with no windows - no apparent way to go

No escape hatch, must be some catch

Must be something you don't know

Look down, look around, all your hopes are sinking deep into the ground

Look up through the night, S.O.S. is gonna make it to the light when you

Speak to the sky and wait for the answer

Someone will be there to take your call

Though you may be at the brink of disaster

Speak to the sky and you never will fall

When temptation will surround you

Enemy is closing fast

Fight insistance with resistance

You can know that it won't last

Look out, look around, cryin' out but no one seems to hear a sound

Look into your heart, help is on the way before you even start to

[Chorus]
