

# It's the Only One You've Got

## 3 Doors Down

How do you know where you're going  
When you don't know where you've been  
You hide the shame that you're not showing  
And you won't let anyone in  
A crowded street can be a quiet place  
When you're walking alone  
And now you think that you're the only  
One who doesn't have to try  
Then you won't have to fail  
If you're afraid to fly  
Then I guess you never will  
You hide behind your walls  
Of maybe nevers  
Forgetting that there's something more  
Than just knowing better  
Your mistakes do not define you now  
They tell you who you're not  
You've got to live this life you're given  
Like it's the only one you've got  
Memories have left you broken  
And the scars have never healed  
The emptiness in you is growing  
But so little left to fill  
You're scared to look back on the days before  
You're too tired to move on  
And now you think that you're the only one who doesn't have to try  
Then you won't have to fail  
If you're afraid to fly  
Then I guess you never will  
You hide behind your walls  
Of maybe nevers  
Forgetting that there's something more  
Than just knowing better  
Your mistakes do not define you now  
They tell you who you're not  
You've got to live this life you're given  
Like it's the only one you've got  
What would it take  
To get you to say that I'll try  
And what would you say if  
This was the last day of your life  
You hide behind your walls  
Of maybe nevers

Forgetting that there's something more  
Than just knowing better  
Your mistakes do not define you now  
They tell you who you're not  
You've got to live this life you're given  
Like it's the only one you've got You hide behind your walls  
Of maybe nevers  
Forgetting that there's something more  
Than just knowing better  
Your mistakes do not define you now  
They tell you who you're not  
You've got to live this life you're given  
Like it's the only one you've got
