

# More Than a Woman

Bee Gees

Oh, girl, I've known you very well  
I've seen you growing every day  
I never really looked before  
But now you take my breath away Suddenly you're in my life  
Part of everything I do  
You got me working day and night  
Just trying to keep a hold on you Here in your arms I found my paradise  
My only chance for happiness  
And if I lose you now I think I would die Oh, say you'll always be my baby  
We can make it shine  
We can take forever  
Just a minute at a time  
More than a woman (Ooh)  
More than a woman to me  
More than a woman (Ooh, ooh, baby)  
More than a woman to me Oh, oh, oh  
There are stories old and true  
Of people so in love like you and me  
And I can see myself  
Let history repeat itself Reflecting how I feel for you  
Thinking 'bout those people then  
I know that in a thousand years  
I'd fall in love with you again This is the only way that we should fly  
This is the only way to go  
And if I lose your love I know I would die  
Oh, say you'll always be my baby  
We can make it shine  
We can take forever  
Just a minute at a time More than a woman (You are)  
More than a woman to me  
More than a woman (Ooh, my baby)  
More than a woman to me Oh, oh, oh  
More than a woman (Ooh)  
More than a woman to me (Oh, so much more)  
More than a woman (Oh, baby)  
More than a woman to me (Ooh)  
More than a woman (Ooh)  
More than a woman to me  
More than a woman (Oh, oh, my baby)  
More than a woman to me (Yeah, yeah)  
More than a woman.
