

Angel

Florida Georgia Line

[Verse 1]

I know you love a little late night
Just me and you glowing with the brake light
Silhouettes sipping with a halo
Anything you want, girl, just say so
A little whisper off your lips, yeah
Said you're ready for the moonlight mix, yeah
I keep you spinning 'til you get your fix
'Til the sky gets lit, 'til the sunlight hits, yeah

[Chorus]

I've been given a piece of heaven
Yeah, you're my angel, you're my angel tonight
Did it hurt when you fell from the sky?
Pretty girl, I'm gonna make you fly
See, I was burning, but you saved my life
My angel, you're my angel tonight
Yeah, I'm never gonna let you down (I got you, baby)
I just gotta tell you now ('Cause my heart can't wait, girl)
You're my angel, you're my angel tonight

[Verse 2]

And do your thing, baby, 'cause it's so hot
There it is, yeah, that's the sweet spot
Blow your smoke, I'm gonna breathe it in, girl
Maybe it's a sin, but baby, bring it back again, yeah

[Chorus]

I've been given a piece of heaven
Yeah, you're my angel, you're my angel tonight
Did it hurt when you fell from the sky?
Pretty girl, I'm gonna make you fly
See, I was burning, but you saved my life
My angel, you're my angel tonight
Yeah, I'm never gonna let you down (I got you, baby)
I just gotta tell you now ('Cause my heart can't wait, girl)
You're my angel, you're my angel tonight

[Bridge]

A little whisper off your lips, yeah

Said you're ready for the moonlight mix, yeah
I keep you spinning 'til you get your fix
'Til the sky gets lit, 'til the sunlight hits, yeah

[Chorus]

I've been given a piece of heaven
Yeah, you're my angel, you're my angel tonight
Did it hurt when you fell from the sky?
Pretty girl, I'm gonna make you fly
See, I was burning, but you saved my life
My angel, you're my angel tonight
Yeah, I'm never gonna let you down (I got you, baby)
I just gotta tell you now ('Cause my heart can't wait, girl)
You're my angel, you're my angel tonight
Yeah, I'm never gonna let you down (I got you, baby)
I just gotta tell you now ('Cause my heart can't wait, girl)
You're my angel, you're my angel tonight
