If I Ever Fall In Love (feat. Jason Derulo)

Pentatonix

The very first time that I saw your brown eyes
Your lips said "Hello" and I said "Hi"
I knew right then you were the one
But I was caught up in physical attraction
But to my satisfaction
Baby you were more than just a faceAnd if I ever fall in love again
I will be sure that the lady is a friend
And if I ever fall in love so true
I will be sure that the lady's just like you
Ooooh
I sware the next time she'll be a friend
Oh yeah!If I say that I could be your one and only
Promise, that you'll never leave me lonely
I just wanna be the one you need
I just wanna be the one to serve you
Sometimes I feel as if I don't deserve you
I cherish every moment that we shareAnd if I ever fall in love again
I will be sure that the lady is a friend
And if I ever fall in love so true
I will be sure that the lady's just like you
(My friend) Very next time she will be my friend
Someone who I can believe in
(My friend) Very next time she will be my friend
Someone who I can believe in
(My friend) Very next time she will be my friend
Someone who I can believe in
(My friend) Very next time she will be my friend
And if I ever fall in love again
I will be sure that the lady is a friend
And if I ever fall in love so true
I will be sure that the lady's just like you
