

# Right Now (Robin Schulz VIP Remix)

Nick Jonas & Robin Schulz

Eh yeah yeah yeah  
Eh yeah yeah yeah You are my water, my sun  
My moon and stars  
Your heart is all I need  
It starts when you come  
I want to be where you are  
Where you are (na, na) Every time you go away, you're always tryna fight  
How bad I want you (bad I want you), bad I want you  
I could try to fill the space with someone else tonight  
But I don't want to (I don't want to), I don't want to Right now, you know I miss your body  
So I won't kiss nobody until you come back home  
And I swear, the next time that I hold you  
I won't let you go nowhere  
You'll never be alone, I'll never let you go  
You lead, I follow, no sleep  
That's what you said (that's what you said)  
That's what you said (that's what you said)  
And you should know  
You leave, I'm hollow  
I need you in my bed (I need you in my)  
You in my head (I need you in my) Every time you go away, you're always tryna fight  
How bad I want you (ayy), bad I want you (bad I want you)  
I could try to fill the space with someone else tonight  
But I don't want to (I don't want to), I don't want to (oh) Right now, you know I miss your body  
So I won't kiss nobody until you come back home (oh)  
And I swear, the next time that I hold you  
I won't let you go nowhere (let go)  
You'll never be alone (never be alone)  
I'll never let you go  
Yeah, oh, yeah, oh, no  
I will never let you go, no, no  
Yeah, oh, no Right now, you know I miss your body  
So I won't kiss nobody until you come back home  
I swear, the next time that I hold you  
I won't let you go nowhere  
You'll never be alone, I'll... Right now, you know I miss your body (I miss your body, baby)  
So I won't kiss nobody (nobody), until you come back home (oh)  
And I swear, the next time that I hold you (ooh)  
I won't let you go nowhere (I won't let you go)  
You'll never be alone (oh), I'll never let you go Oh, you'll never be alone, ooh, yeah  
I'll be there, I'll never let you go
